Continuation of 4(e) Other:

First and foremost, the applicants are cordially thanked for the 'Amendment Under 37 C.F.R. § 1.111' filed 14 June 2006. However, several seemingly non-compliant amendments have been discovered in the aforementioned response, requiring attention before examination may continue.

C.F.R. § 1.121(c)(2) requires, "All claims being currently amended in an amendment paper shall be presented in the claim listing, indicate a status of "currently amended," and be submitted with markings to indicate the changes that have been made relative to the immediate prior version of the claims. The text of any added subject matter must be shown by underlining the added text. The text of any deleted matter must be shown by strike-through except that double brackets placed before and after the deleted characters may be used to show deletion of five or fewer consecutive characters. The text of any deleted subject matter must be shown by being placed within double brackets if strike-through cannot be easily perceived."

The 'Amendment Under 37 C.F.R. § 1.111' filed 14 June 2006 improperly uses strike-through to show deletion of five or fewer consecutive characters (e.g., see at least Pages 3, 6, and 8-11; Claim 1, Lines 27 & 31; Claim 3, Line 1; Claim 7, Line 28; Claim 8, Line 19; Claim 9, Line 19; Claim 10, Line 17; and Claim 11, Line 17 of the 'Amendment Under 37 C.F.R. § 1.111' filed 14 June 2006), rendering the deletion(s) difficult to perceive. The applicants are respectfully encouraged to use double brackets to show deletion of five or fewer consecutive characters.

Additionally, at least the concluding period punctuation mark has been improperly deleted from claim 11 (see Page 11 of the 'Amendment Under 37 C.F.R. § 1.111' filed 14 June 2006) without providing any marked-up text to show such a deletion. The applicants are again respectfully encouraged to use double brackets to show deletion of five or fewer consecutive characters.

By such reasoning, this Notice of Non-Compliance is deemed necessary and proper at this time.

Please note: The amendments have not been checked to the extent necessary to determine the presence of all possible non-compliance errors. If additional issues of non-compliance are discovered at the time of a subsequent amendment, yet another Notice of Non-Compliant Amendment will be necessitated. Applicants' cooperation is requested in correcting any other errors of which applicants may become aware.

The applicants are hereby notified that the examiner's art unit has recently changed from Art Unit 2673 to Art Unit 2629, please direct all future correspondence accordingly. Thank you.
